Tax Character of Distribution Payable on December 1, 2026

The tax character of the $0.0833 per share distribution, comprised of an $0.08 per share base dividend and $0.0033 per share supplemental dividend payable by PennantPark Floating Rate Capital Ltd. (the "Company") on December 1, 2026, to stockholders of record as of November 13, 2026, is set forth below. For tax purposes, the Company is a regulated investment company and is designating the tax character of the distribution you receive as a stockholder.

Percentage	Amount	Description
11%	$0.00916	Distribution has been identified by the Company as being derived from other sources and is not exempt from U.S. Nonresident withholding tax.
89%	$0.07414	Distribution has been identified by the Company as an interest-related dividend generally exempt from U.S. Nonresident withholding tax.

The Company, which operates as a regulated investment company ("RIC"), generates qualified interest income and short-term capital gains that may be exempt from U.S. withholding tax when distributed to non-U.S. stockholders. The U.S. tax law permits a RIC to report the portion of distribution paid that represents interest-related dividends as exempt from U.S. withholding tax when paid to non-U.S. stockholders with proper documentation.
